

# PTSA Talent Search

Multiple research studies have shown that kids do better when parents are involved in school. Test scores improve. Attendance increases. Overall grades are higher. Involved parents see and understand the challenges their school faces and can help find solutions. Portola PTSA activities cannot happen without parent volunteers. Your help is vital to our success. Please volunteer. It's a great way to get to know other families in the school, and be part of the school community. You don't have to lead a committee! An hour here and there is an immense help.

## Join the Fundraising Committee
