

Korematsu Night 2015

3/26/2015

Dear Parents and Guardians,

Korematsu Middle School students, teachers, and staff would like to invite you to "Korematsu Night", which will be held on campus Thursday, March 26th from 6:30 to 8pm. Instead of the usual Open House structure, students and teachers have come together to organize a night of student projects and presentations, along with performances by the jazz band and drama class. Please join us in a fun-filled and informative evening to celebrate Korematsu Middle School!

A list of key events is indicated below on this chart. Classrooms and teachers not on this list will also have displays and activities within their individual classrooms.

We look forward to seeing everyone.
