Dear Parents and Guardians:

The staff at Korematsu Middle School welcomes you to the 2015-2016 school year! We have great expectations for a productive school year. The entire staff is looking forward to working with students, parents, and the community to ensure the successful achievement of all our students.

Our first day of school is Monday, August 24th. This will be a minimum day, ending at 1:25 pm.

REGISTRATION: Registration will take place at the Korematsu Temporary Campus on August 11th, August 12th, and August 13th (see schedule below). Parents and guardians will fill out forms, get necessary materials, textbooks and pick up class schedules. Students are encouraged, but not required, to come. Registration should take approximately 1 1/2 hours. If you cannot come at the designated time, try to come at one of the other times. If you will be on vacation please contact the school office. Our goal is to have all students registered and with textbooks before the first day of school.
